Mr. Fejes is President of Global Business & Chief Revenue Officer, where he leads global client engagement, market activities and is responsible for EPAM's global business operations.

Prior to June 2024, Mr. Fejes served as President of EU and APAC Markets, leading market activities in those regions and co-lead global business operations and oversaw EPAM's banking and financial services business unit.

Prior to August 2012, Mr. Fejes served as EPAM's chief technology officer (CTO) and was responsible for ensuring that EPAM's global offshore and nearshore software development centers were at the leading edge of industry standards for efficiency and quality.

Mr. Fejes joined EPAM in 2004 as part of the acquisition of Fathom Technology, a Hungarian software engineering firm which he co-founded and where he served as CTO.

Prior to co-founding Fathom Technology Mr. Fejes held various technical leadership roles at Great Plains (Microsoft Business Solutions) and Scala Business Solutions.
